

Weddings at Brunswick Uniting Church

We love people getting married here at Brunswick Uniting Church, and if that is your intention, then the first thing you need to do is make contact with our minister Ian Ferguson iferguson@icloud.com

If you are still exploring where you would like to hold your special day, then here is some information that might be helpful in your decision about Brunswick Uniting Church:

- Brunswick Uniting is not a wedding venue.
- We are unable to hold receptions on our premises.
- It is our expectation that our minister Ian Ferguson will conduct the ceremony.
This means you cannot bring your own minister/celebrant in to celebrate and conduct your wedding.

The fee for conducting a wedding at Brunswick Uniting is \$245 comprising:

- \$200 for five hours use (including rehearsal, set up & celebration)
- \$45 for a visual/sound technician.

The cost of the minister's services is agreed on between parties and is not included in this flat price.

Please note that there is to be no confetti used on the day, we are all for bubbles.

We hope that the above information has been helpful.
