**OCTOBER MOVIE NIGHT:
THE LADY IN THE VAN**

The Lady in the Van tells the true story of Alan Bennett (English playwright)'s strained friendship with Miss Mary Shepherd (Maggie Smith), an eccentric homeless woman whom Bennett befriended in the 1970s before allowing her temporarily to park her Bedford van in the driveway of his Camden home. She stayed there for 15 years! This film is powerfully moving and very funny in parts; a key theme is what it means for us as individuals and as a society to 'care' for, or love another.
