Melbourne

# COMMUNITY COALITION VICTORIA

## ABOUT THE EVENT

CCVic is a new organisation that builds movements for a fairer society. At this information session you will hear how community organising empowers people & fosters collaboration, trust & social cohesion. CCVic is a membership-based community alliance committed to community organising, developing grass-roots community leaders & coordinating powerful community led campaigns for social change. It also provides a platform for organisations & individuals to mobilise & self-organise.
