Vs 1 We are the dream that's longing always to be free  
We are the story not complete  
We look for healing from paralysis of fear  
We are the ones who know defeat  
We are the ones who know defeat

But Jesus is waiting, Jesus is listening  
Jesus is present, Jesus creating

Vs 2 We are the lame who look for ways to walk anew  
We are the blind who cannot see  
We are the friends who watch the sick from on the roof  
We want to interrupt the scene  
We want to interrupt the scene

While Jesus is working, Jesus is healing  
Jesus forgiving, Jesus is leading

Vs 3 Come be our liberator, bless and make us free  
Come be the light upon the shore  
Come be the freedom for the prison of our time  
Come now and open up the door  
Come now and open up the door

And Jesus is knocking, Jesus is saving  
Jesus is working, Jesus is waiting  
Jesus is knocking, Jesus is waiting  
Jesus is healing, Jesus creating

*Lots of the pictures here came from Ray Gormann who preached on the story of the paralytic man and his mates. The incompleteness, fear and defeat which can be our paralysis. Jesus as the revolutionary liberator, creating new things. And knocking on closed doors.*
