

Alive In Me

*Spirit of the Father
Spirit of our Brother
Spirit of the Living One
Alive, in me
Spirit of the Mother
Tender-hearted Lover
Wisdom to discover
Alive, in me*

You are the breath that breathes through all,
the pulse of life and the sacred call,
deep seed of Good that grows divine,
clear light of Truth that yearns to shine

Chorus

You stir a song every soul can sing,
spread words of love on the Angels' wings,
bring hope to birth at dark of night,
give us the strength to stand for right

Chorus

Quieten our minds so that we may hear
The voice of Love that will heal our fears.
Nurture within, Your work begun,
transforming power to make us one.

All Will Finish Well

1. You in all our worries, you offer peace, you of the ages.
In this world where injustice reigns, you are in the midst of pain
You are the life.
We long for your justice, wait for the day all will be mended.
In this world you're the cry of rage, the silence of the unmarked grave,
you are the right.

*You're the start, the voice inside the heart,
calling us to take the risk of life.
You've been there, from lonely to despair,
in our tears for loss and love.
All will finish well*

2. You break into history blessing the poor, you of the powerless.
In this world where the leaders lie, you're the truth that will surprise.
You are the love
We downcast and dubious, throw out our nets, already doubting.
In this world we are lost alone. You're the word that brings us home.
You are the north

*You're the start, the voice inside the heart,
calling us to take the risk of life.
You've been there, from lonely to despair,
in our tears for loss and love.
All will finish well*

*You're the start, the voice inside the heart,
calling us to take the risk of life.
You're the name that sets us free from shame.
In our tears for loss and love all will finish well one day.*

Can You See God?

1. Can you see God on a clear, starry night sitting down under a tree?
Can you see God on a high mountain top looking out across the sea?
God's been in creation since very long ago.
As seasons pass, to all creatures and plants, God brings life and makes them grow.
2. Can you see God in the heat and the noise of a bustling large city?
Can you see God in the faces you pass as you walk down a main street?
God is with the people though out their busy days.
In ev'ry act showing kindness and love you can see God there always.
3. Can you see God in a man long ago from a place you've never been?
Can you see God when he teaches and heals and shares meals with the unclean?
He scared those in power; they nailed him to a tree.
But he lives on, and his message of love has rung out through history.
4. Can you see God when you get out of bed, go to church on each Sunday?
Can you see God when you're welcomed inside and the people start to pray?
Making some time sacred is just the very start.
Learn to be one with God all through the day 'til you find God in your heart.
5. Can you see God in a world that's unfair, full of people cold and poor?
Can you see God in a world where the rich are the ones the best at war?
God calls us to change it, to set God's people free.
May kingdom come and may God's will be done so the world's how it should be.

Community

*Part of a family, interconnected, this is community
Welcoming strangers, visiting neighbours, this gives us dignity*

1. Care for the earth and sea, we need to keep them free, so we care for the earth and sea.

Care for the ones we meet, love is the face we see, when we care for the ones we meet.

Chorus

2. Sharing our joy and pain, praying and keeping faith, by sharing our joy and pain.

Singing a song of rights, imaging God in life, by singing a song of rights.

Chorus

Talk to the lonely, bind up the broken, this makes community.

A glass of water shared with the thirsty, this makes for dignity, this makes for dignity.

This is community

Cover Us With Love

1. When our ears are closed to cries of need,
selfish ways that crush and hurt and trample.
When minds are set and we don't want to know
how others stand to lose, while we look for gain.
Turning our dulled eyes from helplessness and pain.
Then . . .

*Cover us with love and fill our heart with song
Change our narrow ways, give us compassion strong.
Be our vision Lord, in a world that's filled with greed.
Be our wisdom true, plant in our hearts, this seed.*

2. When we fail to see what we destroy,
gath'ring greedily from nature's treasure.
Understanding little why we feel the need to take away the
future of us all.
Hardening our hearts to the uniqueness of this place.
Then . . .

Chorus

3. When our hearts are cold without Your flame,
Believing we can live without your spirit.
Convenience when we can ill afford to mould You or contain
or put you in Your place.
Though foolishly we try to limit and restrain, so . . .

He listened to a call within and took a path that none had taken
before him.
He said life was diff'rent to what we had known.
He took the message of God's love and he really brought it home.

*Unless a grain of wheat falls to the ground.
Unless a grain of wheat dies to the world around.
It's shell will not be broken or its heart reach for the sun.
Roots won't grow deep into the earth the seed will never become
all that it is. hmm
All that it is. All that it is. hmm
All that it is. is. All that it is*

2. He spoke as if God's living touch was right with-in his heart.

He let the Spirit's power unfold and he grew into God's son.

Jesus Is Waiting

1. We are the dream that's longing always to be free,
we are the story not complete,
we look for healing from paralysis of fear,
we are the ones who know defeat, we are the ones who know defeat.

but Jesus is waiting, Jesus is listening, Jesus is present, Jesus creating.

2. We are the lame who look for ways to walk anew,
we are the blind who cannot see,
we are the friends who watch the sick from on the roof,
we want to interrupt the scene, we want to interrupt the scene.

while Jesus is working, Jesus is healing, Jesus forgiving, Jesus is leading

3. Come be our liberator, bless and make us free,
come be the light upon the shore,
come be the freedom for the prison of our time,
come now and open up the door, come now and open up the door.

*and Jesus is knocking, Jesus is saving, Jesus is working, Jesus is waiting
Jesus is knocking, Jesus is waiting, Jesus is healing, Jesus creating*

Kingdom Come

1. Come and see a place you can go to.
It's a place that's old and new.
You might want to think twice.
Yeah, it's no paradise.
But this community's where God reigns.
The kingdom's in you, the kingdom's in me.
The kingdom's among us, it's not yet to be.
Not in the sky above us, not even in the sea.
It's across the land, just look and see.
Kingdom come.

2. It's a place for helpless children,
Tax collectors, destitutes.
For those who're never named
But still are always blamed.
The hungry, meek and those in mourning.
The kingdom's open for everybody.
There's no black list or admission fee.
So many were invited, but most of them had plans.
'Cause open table means holding hands.
Kingdom come.

3. It's a place where you are injured,
stranded, lying by the way.
The proud ignore your cries,
but one who you despise
becomes the one to come to your rescue.
The kingdom is in your dependency,
that and not power is the currency.
Learn to love your enemies, it's not easy to do,
but it's harder when they love you.
Kingdom come.

4. So sow trust just like a seed all 'round,
get back much more from some ground.
The more that you invest
will make returns the best.
When forced to carry one mile, go two.
The kingdom is here, but not in a jar.
Try weeding it out - you won't get far.
The birds do not go hungry; the flowers are well dressed.
The kingdom is life, life at its best.
Kingdom come.

The lion shall lie with the lamb.
The day shall extinguish the night.
Even now as you sleep I am making things new.

*Take hold of the hope that I give
Trust in me
Reach out for the love you can live
Eternally*

The river of life shall flow down.
The mountains shall break forth in joy.
Even now as you speak I am making things new.

The barren give birth, the lame walk.
The deaf and the blind hear and see.
Even now as you pray I am making things new.

Trust in me.
Reach out for the love.
You can live eternally. (repeat)*

We Will Sing A New Song

Now's the time and now's the day we can sing our life again.
Every body come along to create a brand new song.
We will sing a new song to the world.

We've grown tired of the refrain. Calls for vengeance mark our day.
We will sing down all these walls, make a chorus fit for all.
We will sing a new song to the world.

All the saints from history sang a faith that set them free.
We will play their tunes again, find arrangements for today.
We will sing a new song to the world.

We will welcome all the poor and their notes that are not scored.
We will recreate the chord of the voiceless and ignored.
We will sing a new song to the world.

We will play in all the keys and the rhythms God receives.
In this multilingual earth let this music be rebirth.
We will sing a new song to the world.
