Bbmaj7 F C F
Celebrate the gift of earth beneath our feet

Sing of the wondrous love that made us
Earth and moon and sun
Give thanks in humble awe and wonder
Celebrate the gift of love that makes us one

Sing now of Christ who lives among us
Love that conquered death
Give thanks in humble awe and wonder
Celebrate the gift of life with every breath

Sing of the Spirit deep within us
'Til our journey's through
Give thanks in humble awe and wonder
Celebrate the gift of Spirit ever new
