Last month Olive Pesto fell in the April School holidays . A smaller group gathered in the sunny Hall. And a pleasant time was had by all. We welcomed a new member and worked on our individual projects while chatting and sharing news . We missed our regulars and thought of you all having a lovely break from routine.

**WHAT'S HAPPENING IN MAY?**

- A gizmo for making balls of yarn from hanks

## WORLDWIDE KNIT IN PUBLIC DAY SATURDAY 8 JUNE

This year's theme is **Knit Give and Respect.**

We first participated in the WWKIP event in 2017 and were delighted to welcome people from all walks of life including beginning and experienced knitters.

Doors open 11am. Event runs from 11 am to 5pm.

Lunch of soup & rolls will be provided.

Keynote Speaker—Andrea Zilberman of KOGO will be make a presentation at 1.30pm in main church.

Her presentation will focus on homelessness.

What can you contribute?

Plan to make small items that can be completed on the day within the time you are there.

Ideas—Make a 25cm square toward a bigger blanket that is on the go and 'almost done'

Knit a 'Hug-me-tight' in wool, for a baby

### Perceptual Drawing

Priscilla Manthey will offer a six week series that will engage participants in the practice of Life Drawing. Priscilla comments *I would like to realign some of the understandings about the nature and purpose in the practice of Life Drawing. For decades, centuries even, held as the essential starter for any art practice, the transition to abstract, political, social critique subject matter, and digital means of representation, has rendered this activity superfluous to serious art study.*

The workshops will be offered in 2 three week blocks in June and July - details are being finalised. Participants will be invited to make a \$5-\$10 donation towards the cost of running the workshops. If you have any questions or want to express interest please contact Ann Soo.

### Exhibition

We're excited to announce that following on from the highly successful and very enjoyable 2017 'What is Creativity?' Exhibition Brunswick Uniting Olive Arts group will be hosting another exhibition in September. Our first exhibition featured the works of more than 40 artists and was a truly amazing experience.

Details for this year's exhibition will be available in the next few months with details of how you can be involved

For now, all our energy is focussed on WWKIP Day so watch this space in July for a theme and lots more information about our 2019 exhibition.
