What's happening this month?

Big News this month is the forthcoming **Creative Arts Exhibition** at Brunswick Uniting Church. Full details of the Opening Night event, exhibition dates and times, Performance Evening and special CD launch are on Page 2 of this Newsletter.

We will continue to knit and make warm and cosy items for KOGO. KOGO has distributed a record number of warm items this year and we have been privileged to be a part of that community support. Here's the link to KOGO's latest News <http://www.kogo.org.au/latest-news>.

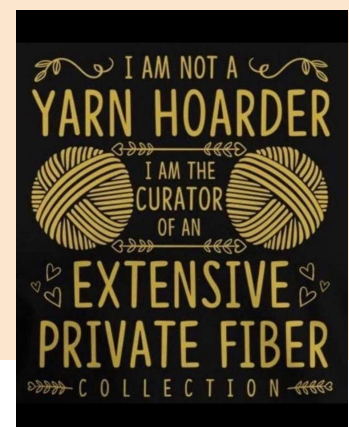

The **Love Makes A Way** non-violent peaceful action group say Thank You! to our knitters who made red beanies and fingerless gloves. There is an ongoing need for **Red Beanies** for new members joining up and to replenish our supply.

Looking forward to catching up again next Saturday. Invite your friends.

KNITS FOR NATURE—Little Penguin rehabilitation project.

Oil pollution is a serious threat to little penguins. Little Penguin rehabilitation jumpers can play an important role in saving these oil affected penguins. Knitting patterns available.

It is Important to only use the pattern and measurements provided by the Penguin Foundation.
