### This Month

It's the season of Lent in the Christian Church, when we slow down and consider what we can stop doing, just as much as what we could start doing. Not only physically but also spiritually. The March Meet-up will be based around YOU, with our discussion time around what it is about "making" that gives you joy, and what doesn't, and why—quite independent of what the final "product" is! While we listen to each other, we can continue with our own projects. We will also seek or give craft advice to others. Material (yarns, needles, instructions and encouragement) are provided.

KOGO have a lovely volunteer who sends a letter to each donor of knitted goods. Please attach a note to your contributions with your name and contact details so that KOGO can acknowledge you.

### REGULAR ACTIVITIES

- Enjoy a laid-back Get-Together in the sunny warmth of the Youth Hall.
- Share Morning tea and coffee
