

What about offerings?

We're currently losing over \$1000 per week in cash/envelope giving. Our other income sources (like hall hire and interest on investments) is also dropping fast. Meanwhile, most of our expenses continue as normal.

Please give directly to BUC, whether it's a regular automated amount or a one-time payment that you set up each week. You can easily set up either approach through your online or mobile banking.

BSB: 013-236
