

Pastoral Care

Hello, I am Yoo Mi Park.

I am doing pastoral care at BUC for three months while Ian is serving people in Gippsland. Last November, I completed my candidate formation in the UCA. I am delighted to experience BUC ministry before embarking on a new chapter of my ministerial life.

My passion and compassion for people have been in caring and teaching. So, I studied Christian Education and Theology and worked as a pastor for the children and family ministry and primary school teacher. I always try to remember Mark 6:34 in ministry. "As he went ashore, he saw a great crowd; and he had compassion for them, because they were like sheep without a shepherd; and he began to teach them many things."

Through pastoral care ministry at BUC, I would like to celebrate love, laughter, caring and sharing which God entrusted us.
