The Advent installation in the main Church unfolded each week from 1 December to Christmas Eve. The concept was the brain-child of Amelia, a young adult in the congregation. Leaves, flowers, crocus, and fruits were lovingly created by the children and Olive Pesto participants.

Each week leading up to Christmas Day crafted objects were added, corresponding to themes in the Scripture Readings for the day. The completed tree formed the backdrop to the set for the Christmas Pageant "Climate of Hope". You can read all about the Advent events plus loads of photos at this link.
