

# God's Mercy

1. Like the sun upon my skin  
I can smile and soak it in  
and my wounds begin to heal.  
That's God's mercy.

2. Like a fragrance in the air,  
scent to lighten my despair,  
loving kindness always there.  
That's God's mercy.

*When I'm feeling lost from all that's good,  
when I'm failing all the good I would,  
when I fear that all I ever could becomes lies wasted.  
When I can't reach out, accept, forgive,  
when it's hard to change the way I live,  
when my need for care, for love, to give, are all frustrated.*

3. Like a flower opening wide,  
glow of love that spreads inside,  
humble gift to breach my pride.  
That's God's mercy.

4. Loving gaze upon my soul,  
seeing all complete and whole,  
healing vision to console.  
That's God's mercy.

## *Chorus*

5. Gentle breath upon my heart,  
warm embrace that takes my part,  
place of strength from where I start.  
That's God's mercy.  
For me,  
For me,  
For me.
