

Advent 3

Lighting a candle for worship, 13th December 2020

The psalmist exults

*Then our mouth was filled with laughter,
and our tongue with shouts of joy*

Psalm 126:2a

We pause, we wait, we hope.
We emerge from a long time of sorrow
We are called to a time of rejoicing
Let us lay down our burdens
and sing out with joy.
God's future is a future of joy.
We light this candle for joy.

With thanks to Tameka for lighting the candle for worship
and offering the prayer
