As previously advertised - we will begin our trial of live streaming worship on 3<sup>rd</sup> January. You will notice that the sound and laptop rosters are quite sparsely filled at the moment. If you or anyone you know of are interested in joining these rosters please let me know. They will be largely independent of the live stream operations. Call Saide, 0407 096 743, to offer your assistance or find out more about what is involved. Thank you for supporting the work of worship online this year and now back to in person in January. What a joy this will be!!

### Worshipping on site

#### We need to attend to a range of COVID safe requirements including

- **social distancing** – keep 1.5 metres space between individuals or a group of people.
- Please sit where there is a yellow marker in the open (not roped off) pews
- A Household group may sit together.
- **hygiene** – sanitiser is provided on entry, the worship space is thoroughly cleaned before and after worship
- **mask wearing** is required at all times unless you are leading parts of the worship

We can only welcome 80 people to the worship space

- you will be asked to check in using the QR code or by signing in.
- please download the [Service Victoria App](#) in preparation for using the QR code.

Morning Tea will not be provided, thankfully though we can stay, chat and catch up with each other after these many long months apart. We will be trialing live streaming the service to support those who prefer to stay at home and possibly to provide an overflow into the hall.
