

Short to medium term home rental in Coburg.

My name is Heidi and I am looking for someone to share my house with. I am currently on long service leave and will be away for a fair bit of time over next 2-4 months, although I will likely come and go for a few days here and there.

- Rent is \$210 per week, plus bills.
- There is 1 bedroom available which has a queen sized bed and mattress and a simple clothes rack.
- There's also a second smaller room which could be used as a study, and may suit someone working or study from home part time.
- House is very close to Moreland Station on the Upfield Line, as well as 2 tram lines and the Upfield bike path.
- It's a great place to live location wise. There's a small front and rear garden. I would prefer a female, and looking for someone who is able to move in by 22nd April.
- Available for 4-5 months.
