

Bridie Turner
Interim YUCY (Youth Group) Leader

I've been a part of BUC's student house since the beginning of 2020, when I moved to Melbourne from regional Victoria. Since then, I've been an active part of the BUC community, involved in activities like volunteering as a YUCY leader.

I'm studying a bachelor's degree of Arts majoring in philosophy and politics alongside a diploma in languages. Some of the things I love are theatre, design, going on walks and being in community.

It is a joy to help facilitate YUCY events, and I can't wait to see where the future of YUCY leads!
