

Steph Gesling
Interim Sunday Morning Program Leader

Hi, I'm Steph Gesling. I live on Wurundjeri land. I'm a singer, a plant lover and a Mum.

I'm curious and passionate and I love the opportunities that we have as a church to learn together and to connect across generations. I feel inspired by the ideas and actions being taken by the youth, children and adults in our community to address the climate crisis.

I'll be serving as the Interim SMP Coordinator at BUC for a season. Count me in for some creative activities, fun challenges, and chats about life and faith.
