## ASWC 20<sup>th</sup> Anniversary Party

The *Asylum Seeker Welcome Centre (ASWC)*, is proudly celebrating its 20<sup>th</sup> Anniversary. We would like to invite all clients (old and new) and stakeholders who have been involved with the ASWC to help us celebrate this special occasion!

This event will also double as a welcome back event for our clients who have not had a chance to attend the ASWC due to COVID-19 restrictions over the last two and half years.

The ASWC first opened its doors to the community in August 2002, with the aim of welcoming people who share a common experience: seeking asylum in Australia. The ASWC is a community drop-in centre that offers a safe space and operates on a community development model, emphasising social support and programs designed to build community connections.

Fast-forward 20 years, the ASWC is still supporting people seeking asylum across metro Melbourne.

There will be a silent auction, musical entertainment, children's activities, snacks and drinks on the night.

RSVP is essential.
