COVID SAFETY

Although government restrictions on the wearing of masks has been lifted for most settings, masks are strongly recommended in situations where physical distancing cannot be maintained, unless actually eating or drinking.

At Olive Pesto we are aware that some participants may not be vaccinated due to medical exemption.

Others have health vulnerabilities, so we try to be considerate and respectful of others.

Subject to weather conditions we will open the doors and windows to allow ventilation of the room.

Yarnivore

(n.) One who consumes large amounts of yarn.
